

Door County Breeze Notice of Race

Ephraim, Wisconsin

The “Breeze” regatta is taking place on June 29-July 1, 2012 at Ephraim, Wisconsin.

We are starting out the weekend with Fun Friday which is having a practice course setup along with a starting boat for sailors to practice racing starts. This is new this year due to the number of sailors that we have heard from that would like to compete, but have been concerned about their ability and understanding of a race start. We are going to have experienced sailor’s onsite to assist in guiding novice sailors on proper starting techniques. This is a great way for the novice sailor to gain confidence in race start ability and understanding of the starting flags.

We also encourage sailors that are up for it on Friday to do the fun sail out to the islands. This is a very scenic enjoyable sail.

Saturday and Sunday are competitive course racing days. We will have all the Mowind classes available including Kona.
