

The 2011 Winnebago SuperCrossing (sponsored by A-A Exteriors.com, Jeff Knutson) & the Wind Power Championships are being held September 23-25, 2011 at Roosevelt County Park, Lake Winnebago, Fond du Lac, WI. Wind Power Windsurfing & Kiting Center is across the street and is celebrating it's 28th Year! Please see the attached flyer for more information and registration form.

The weekend begins on Friday with the Lake Winnebago Supercrossing. Typically we leave from Roosevelt County Park (Wind Power) and we sail north to a destination determined at the skipper's meeting based on the wind direction and strength along with the forecast. With ideal conditions (west wind), it is possible to sail full length of Lake Winnebago (28 miles). This has occurred once in history of the Supercrossing. Kilters are welcome to follow but they will not be part of the race. In 2010 the conditions were BIG and perfect for a record crossing time. Sad to say everyone rigged too big and no one made the full crossing. Jim and Linda's was the furthest any windsurfer made. The 5 kilters made the complete crossing, Kudos to them.

Please contact Jeff or Kevin for more details if you are new to the Supercrossing.

Saturday & Sunday are the Wind Power Championships. This is the first race of the 2012 MoWind Racing schedule. Course, Slalom and Long Distance will be run, conditions permitting. Saturday evening racers will be treated to a dinner at the Sunset Supper Club next door to the race site. Friends and spouses are welcome to join. At the dinner, 2011 MoWind year end awards will be presented. After dinner and MoWind awards the annual Wind Power Bonfire sacrifice to the Wind Gods will take place. The fire usually lasts longer than the parties. Don't forget to bring your tent or trailer as there is Free camping in Wind Power's back yard. (crawling distance from the bonfire) Sunday's skipper's meeting will be at 9:30 followed by racing at 10:00. Last possible start will be 2pm. Lunch, prizes and awards will be at 3 pm.

We highly encourage pre-registration. If you need charter equipment (long board for non-planning conditions) please call ahead to reserve it. We will have it setup and ready for race day. We want to avoid the time needed to setup charters on race day. If you want to charter a Kona Board, please contact Mike Fox @ 612-508-8083.

The New Youth Sailboat the O'Pen Bic is taking off! Over 350 kids have learned to sail on the O'Pen Bic in the Fox Valley this year. The Oshkosh Recreation Department is building a Fleet. Wed. & Thurs. Steve & Sara Eliassen taught kids how to sail the O'Pen Bic in Menominee Park in Oshkosh. Tuesday, Fond du Lac Yacht Club taught Youth Sailing with the O'Pen Bic. Tuesday night in Fond du Lac, kids raced the O'Pen Bic with the Daysailor Fleet. Sheboygan has O'Pen Bics in their school program and they also hosted a Un-regatta with the fun youth boat. Elkhart Lake is building a Fleet.

So with all this O'Pen Bic activity Wind Power felt it was only appropriate to have spot on the starting line for the kids and their O'Pen Bics. The plan is to have them start and sail on the same course as the Workshop Fleet. Parents are encouraged to watch or better yet get involved. There is room on the Race Committee boat for spectators and spectator boats are always welcome. If you have a child that wants to race but needs a boat, contact Kevin @ 920-251-1002.

SEE YOU THERE!!

Event: Wind Power Championships & Winnebago SuperCrossing
